MESSAGE: We are forwarding herewith the Official Filing Receipt which has an error in the name of the second inventor. Please note that the first name should be <u>André</u> not Andr'e. Correction is requested. We also note that the inventors are from Quebec, Canada. We assume that QC is a reference to this, however, we have not seen this typed in this manner previously. It would be appreciated if this is not the proper manner to reference Quebec, Canada that this also be corrected.
